

Crema vitaminizanta cu catina si fosfolipide 50 ml CETA

ACTIUNE

Pregatita si preparata aparte, am obtinut o crema naturala in care fosfolipidele hidrateaza si consolideaza structura pielii (dovedit de teste clinice) potentand ACTIUNEA vitaminizanta si tonifianta a fructelor de catina. Asigura echilibrul pielii creand un strat protector fata de factorii poluanti din mediu. Pielea palida si atona se vitalizeaza, devine catifelata, moale si fina fara a fi grasa iar hidratarea instantana persista chiar si dupa spalare.
